

eCatalog Instructions

Take full advantage of our online catalog by following these helpful tips:

Table of Contents

This icon will take you to the table of Contents. Each page of the catalog is represented by a thumbnail. Simply click on the page you would like to visit and that page will load

Home

This icon will take you to the first page of the catalog

Search

This icon enables the search functionality of the catalog. Search by keyword, product name, page number etc.

Image Clip

This icon enables you to select and email certain images on a page as opposed to a whole page to your clients. Useful if there are multiple images on a page yet you're only interested in one particular product.

Send to a Friend

Send the entire catalog, or just certain pages to a friend via email
